CEREMONIES

KEEPING IT CIVIL

Weddings are all about bringing people together for the whole day, from ceremony to reception. With that in mind, our hotels are licensed to host Civil Weddings and Civil Partnership ceremonies so you can spend the entire day at the same special venue. Embracing inclusivity and diversity, we proudly stand as an LGBTQ+ friendly space where every couple can create cherished memories.

It is the responsibility of the couple to book the registrar for your wedding, the hotel cannot book this for you. All fees due to the registrar are separate to any fees for hire of our ceremony room.

Not all registrars will allow you to book more than 12 months in advance, if you are booking further in advance ensure you book your registrar as soon as their booking window opens.

When you meet with the registrar, you'll need to take proof of your name, age, nationality and address, plus additional documentation if you have been divorced or widowed.

In most cases, for a civil ceremony you also need to give at least 28 days' notice of your marriage. You do this by attending the district register office that is local to where you live, in person, even if it is
