Below are some wonderful comments from our past couples:

“I can't thank the staff at the Holiday Inn enough. We had a perfect wedding day, everything ran smoothly and exactly to plan. Sadhana was on hand all day taking care of all the tiny details to ensure the day was a total success. The food was lovely and the staff were all super-efficient at turning the room around. Katie was fab at answering all my questions no matter how trivial they were in advance of the big day. My only regret is that it is all over”

“Well what can we say..... Our day was the most relaxed and magical wedding ever. Laura and Sadhana were just amazing nothing was too much trouble, the venue was decorated as a winter wonderland and looked just magical the rooms were great. The staff throughout the hotel were friendly helpful and joined in with the laughter. We really can't thank you enough. Keep up the excellent work”

“We got married here last month and it really was an amazing experience. The food was amazing, all of the guests said how delicious it was. The staff were on hand from start to finish always helpful and keeping us informed. Having Katie and Sadhana organise things for us made everything so easy. The rooms looked beautiful. We stayed overnight for 2 days and the room was spotless and the house keeping staff even arranged my daughter's soft toys on the bed which was a really nice touch. The wedding package was also very good value for money, they catered to every need, we really were treated like royalty for the day. Every member of staff was genuinely happy to help and worked well together. Would 100% recommend this venue to anyone.”
